

5 team development options

The right solutions for your team

Build a team

Team needs to realign, have fun, get to know each other. 1 day team building.

Form a team

For teams that have been through change. 1-3 sessions focusing on DiSC profiling, team strengths, goals, behaviours, roles, and trust.

Develop a team

A team that needs to level up together, learning leadership, team, and management skills in alignment together. Bespoke programmes . 6-12 months.

Teams in conflict

When something is “off” in the team and potential is being reached - team coaching 3-6 months.

Thrive teams

When the team is ready to level up. Team coaching to maximise roles, skills, vision, and strategy. 3-6 months.

Teams are in a constant state of change and emergence. Knowing how to shift from the current state to the next, quickly and effectively, is leadership mastery.

3WH will help you identify where your team is now, where you want it to be, and what the best approach is to level up.
